

Add Students for Other Reasons

Manually Add Students to a Detention Session for other reasons

Written by Sam Support | Last published at: February 17, 2026

Before using this feature, please ensure:

The Detention Manager has been fully set up (Time Slots & Reasons created)

You have the correct Access & Permissions in place

If you have not completed setup yet, [please follow this guide first.](#)

Step-by-Step: Add Students to a Detention for Other Reasons

1. Log In

- Go to **uniqueschoolapp.ie** and log in.

2. Go to Detention Manager

- Open **Detention Manager** and locate the session you wish to add a student to.

3. Click Add Student

- Click the **Add Student** icon beside the relevant detention session.

4. Search & Select Students

- Search for the student name(s)
- Select the relevant student(s)

5. Add to Final List

- Click **Add to Final List** to move the selected students into the session.

6. Select the Reason

- Choose the appropriate **Detention Reason** from the dropdown list.

Important:

Reasons must be set up during the initial [Access & Setup](#) process.

You can also:

- Add a **Description for Parents** (visible in the Personal Notification)
- Add an **Internal Comment for Staff** (not visible to parents)

This ensures clarity for both parents and internal staff.

7. Click Add to Detention

- Once submitted, the student is officially added to the detention session.

What Happens Next?

If your **Automatic Personal Notification** setting is enabled ([see Access & Setup guide](#)), parents/guardians will automatically receive a notification via the app informing them that their student has been added to Detention for lateness.

Feel free to reach out to us directly [via email](#) or book a free Zoom training session via the button below
