

Marking Attendance & Notifying Parents

Attendance & Communication Guide

Written by Sam Support | Last published at: February 18, 2026

This guide explains how to:

- Mark attendance for a detention session
- Move absentees to the next session
- Notify parents/guardians of attendance outcomes

All communication sent through the Detention Manager is logged automatically on the student's profile, ensuring full visibility and record-keeping within the Unique Schools system.

Marking Attendance in Detention

Any staff member with access to the Detention Manager can take the roll call.

Note: You can click on a student's name at any time to open their profile and view full details, including previous detention attendance and communication history.

Step-by-Step: Marking Attendance

1. Go to www.uniqueschoolapp.ie and log in.
 2. Click on **Detention Manager**.
 3. Locate the session you wish to mark and click the **Mark Attendance** icon on the right-hand side.
 4. On the attendance screen, mark each student as:
 - **Present**, or
 - **Absent**
-

Time-Saving Feature

If students are absent from detention, you can quickly move them to the next session:

Click "**All Absentee to Next Detention**" (top right of the screen).

This automatically adds all absent students to the next available detention session — saving significant admin time.

Sending Notifications to Parents/Guardians

After marking attendance, you can notify parents/guardians of the outcome.

Step-by-Step: Sending Notifications

1. Go to www.uniqueschoolapp.ie and log in.
2. Click on **Detention Manager**.
3. Click the **Mark Attendance** icon beside the relevant session.
4. Use the **Attendance Filter** to filter by:
 - Present
 - Absent
5. Send the appropriate **Personal Notification (PN)**:
 - Use the **Absent template**
 - Use the **Present template**
 - Or create a **custom message** if needed

Sending an Individual Notification

If you wish to contact a specific parent only:

1. Click the **Send PN** icon on the far right of the student's record.
2. Select a template or write a custom message.

Note

All Personal Notifications sent through Detention Manager are automatically saved on the student's profile.

This ensures a full communication history is maintained in one central location.

This structured process keeps detention management clear, consistent, and fully documented.
