Payments received outside the school app (e.g. Cash/ Cheque) should also be marked as paid in the system, this will give you an accurate audit trail.

Please see how to mark a payment received outside the school app

[Help Guide](#)

If a parent requires a refund after paying directly to the School, you should organise the refund and then flag the system as refunded.

To flag a payment received outside the School app as refunded please follow the steps below:

Go to your **Dashboard** and tap on **Cash & Other Payments** under **Payments**

Find the payment you wish to refund and tap on the **Refund icon**

Enter refund information

Hit **Save**

Note: This section is only for refunding non-app payments such as cash & cheque payments

To generate your end-of-the-month reconciliation for payments made outside the school app, please follow the steps below:

Go to your **Dashboard** and tap on **Cash & Other Payments** under **Payments**

Apply filter to suit your search

Hit **Search**

Tap **Export**

Users can receive a receipt when you mark the fee as paid in the system. If after being marked as paid user requests a receipt you can send it via your **Other Payments & Adjustments** tab.

To do so please follow the steps below:

Go to your **Dashboard** and tap on **Cash & Other Payments** under **Payments**

Find the payment and tap on the **Send Receipt** button

If the button is greyed out tap on the **Edit icon**

Select Receipt Email to YES

Enter email

Hit **Submit**
