Marking Attendance for Fixtures & Training Sessions

Written by Sam Support | Last published at: February 16, 2026

Team Manager allows you to record attendance for both **Fixtures** and **Training Sessions**.

There is an important difference between the two:

Fixture Attendance → Syncs with your attendance system and marks students as **School Activity**.
(*Very important!!*)

Training Attendance → Internal record only. No syncing takes place.

⚠ If Fixture attendance is not syncing correctly with your Attendance System, please contact:
staffsupport@uniqueschools.ie

Step-by-Step: Marking Attendance

Go to **uniqueschoolapp.ie** and log in if you're not already signed in.
