

Shop on your Administrator's App

View and manage assigned payments

Written by Sanket Haval | Last published at: July 22, 2024

The **Shop** section of the **Administrator's App** enables assigned staff members to view detailed payment information, including payments received, payments pending, and users not onboarded to the app. This real-time tracking capability allows staff to easily monitor and manage payments on their mobile devices.

1. Open your **Administrator's App**

2. Go to the **Main Side Menu**

- From an **Android Device**, tap on the 3 horizontal lines on the top left of the screen
- From an **Apple Device**, tap on the more tab on the bottom right of the screen

3. Tap on **Shop**

- Here you will see payments that have been assigned upon form creation

Staff can be added to be able to view the payment in the Administrator's App from the CMS/Web Version of the system

Form Detail Continued

- When tapping on the **Not Received** tab, we can see who has not paid
- We can also see whether or not the student has parental representation on the app
- The **red rectangle** to the right of the student means parent/guardian **is not an app user**
- The **green rectangle** to the right of the student means the parent guardian **is an app user**

- If we take the below image, for the student (Katie Burke):
 - the primary parent/guardian **is not an app user**
 - the secondary parent/guardian **is an app user**

Form Detail Continued

- Tap into any student to see further details

- This can be handy for those not paid as you can quickly acquire the primary contact phone number
- After tapping Call, the phone number will pop up for you *(Note: It will not call straight away, so don't worry - **you** can preview the phone number)*
- Also note, If your phone is not on private, they will see your phone number
- If the student has paid, you will see information such as:
 - Order ID
 - Order Date
 - Payment Status
 - Payment Type
 - Number of Payments *(If paid in instalment option, it will be more than 1 here)*
 - Item Total (Cost)
