

Note From Parent

View, Acknowledge, Reply and Manage Parent Notes

Written by Sam Support | Last published at: February 19, 2025

Staff members can view and manage Parent Notes from the Year Head Dashboard, taking any necessary actions as needed.

A Note From Parent should not be used for Attendance.

A Note From Parent should include miscellaneous information such as *“Sophie’s uniform is in the wash, so she’s wearing her PE gear”*

If you receive a Note From Parent in relation to attendance, please advise the parent/guardian to use the Attendance Notes instead (Absentee form, Late Note & Permission To Leave).

How to View a Note from Parent

- 1. [Open the Year Head Dashboard](#)
 - 2. [Go to Note From Parent on the side menu](#)
 - 3. [From here, you can view any notes you are assigned to.](#)
- If you are not seeing the correct information in the Administrator’s App or Dashboard, it means you do not have access to it and requires to be added by a full access member. Please contact the School admin or refer to the help guide on [Access and permissions.](#)
