This section explains how to add students to Detention either from the Late List or for other behavioural reasons using the Year Heads Dashboard.

Create a Detention

1. Go to www.uniqueschoolapp.ie and log into the **Dashboard**.

2. Click on the **Detention Manager** and click **Add**

3. Add the **Title & Description**

- **Title:** Visible to parents in the Notification when a student is added to the session
- **Description:** Not visible and only for internal use

4. **Assign** the Detention to the staff member in charge. An email will automatically notify them of the assignment.

5. Add the Location/Room Number

- Visible to parents in the automated Personal Notification when you add the student

6. Choose whether you want a **Single Event** or **Recurring Detention** if it's the same time and day weekly

7. Select the **Time** of your Detention. ([Refer to "Adding Time Slots" for more detail.](#))

8. If your room is limited in space, you can add a limit. Leave it at 0 if there is no limit to how many students can be added to a session.

9. Click **Submit**.
