

New Client Onboarding Process Guide

Step-by-step onboarding process for New Builds

Written by Sam Support | Last published at: February 23, 2026

This document outlines the **step-by-step onboarding process** for all new school clients (“New Builds”) joining the Unique Schools ecosystem.

It ensures a consistent, structured rollout covering technical setup, training, Attendance Form Management (AFM), payments, and launch preparation.

Initial Setup & Order Confirmation

✓ Order Confirmation Stage

Once order is received:

- Order Confirmation received
 - Welcome Email sent to school (by Sharon)
 - Includes James’ Calendly booking link
 - Warm-Up Session booked with James
-

FileMaker / Dublin Team Requirements

🔔 **Training cannot proceed until ALL four are complete**

Under **FileMaker** → **New Build (Dublin Team)**:

- ADA Done
- Info Request Sent
- Info Received
- In TestFlight

Only once all are ticked can training sessions begin.

Training Sessions (To Be Scheduled)

Training sessions must be scheduled based on the features signed up for.

Required Training Types

- General App Training
- Attendance Form Management (AFM) Training
- Payments Training (if applicable)
- 1st Install Meeting (scheduled after above trainings)

1st Install should ideally be a few days before launch.

Technical Setup (New Build Configuration)

Wonde & Tyro Integration

- Wonde Invitation Sent
- Wonde Invitation Accepted
- Added to Wonde/Tyro Dashboard
- Map Classes
- Add Attendance Codes
- Add Absentee Codes (Explained & Unexplained)
- Add Unexplained Codes (only those used to export unexplained absence)

System & App Configuration

Set Access & Permissions:

- AppSupport
- Attendance email access
- Set up Session Roll Calls (under ARF)
- Assign “Please Check” responsible person
- Add PRO email (pending items notifications)
- Schedule Attendance Guide reminders
- Ensure icons added to CloudCam
- Ensure all required boxes ticked in FileMaker
- Ensure Launch Date flagged in FileMaker

- Confirm Stripe setup (if using Shop)
 - Add Bursar to Shop permissions (if applicable)
-
-

General App Training

Objective

To train key stakeholders on how to use the App and CMS.

Attendees Required:

- Admin Staff
 - Attendance Officer
 - PRO
 - Year Heads
 - Any other relevant staff
-

Covered in Session:

- App download & registration
- Parent experience overview
- Administrator App features:
 - Notifications
 - Gallery
 - CloudCam
 - Consent Forms
 - Medical Forms
 - Shop
 - Picture Permissions
- Desktop Dashboard:
 - Notifications
 - Personal Notifications
 - Year Head Dashboard
 - School Administration
- Launch steps & onboarding process

- Agree official launch date
-

Post-Meeting Updates (FileMaker)

- App Champion identified
 - Full vs Limited Access assigned:
 - Principal / DP / YH / Office / PRO
 - Launch Date confirmed
 - Launch Email shared with school
 - If any item cannot be completed → Create WIP task.
-

Attendance Form Management (AFM) Training

Objective

To review current attendance processes and transition to new AFM workflow.

Required Attendees:

- Admin Staff
 - Attendance Officer
 - Year Heads
-

Covered in Session:

- Parent app registration
- Attendance notes (Absence / Late / PTL)
- Administrator App:
 - Attendance Reports
 - Approve PTL
 - Parent Notes
- Digital Sign-In Device

- Desktop Dashboard:
 - Year Head Dashboard
 - Please Check
 - Attendance Alerts/TUSLA Notifications
 - Anomalies
 - Detention
-

Configuration Checklist:

- ARF send-out time agreed
 - Please Check assigned
 - PTL approval responsibility confirmed
 - AFM point-of-contact identified
 - Attendance codes agreed
 - Attendance System access granted (if required)
 - Parent Note assignment confirmed
 - Parent guide scheduled (first 3 weeks)
 - Confirm DSI device received & installed
-
-

Unique Payments Training (If Applicable)

Objective

Train bursar/finance team on Shop & reconciliation.

Required Attendee:

- Bursar / Financial Officer
-

Covered in Session:

- Current payment processes
- Creating payment items
- Assigning to users
- Instalments setup
- Monitoring payments

- End-of-month reconciliation
 - Posting to Sage (or accounting package)
 - Marking cash payments
 - Processing refunds
 - O/S balance reports
-

Pre-Meeting Requirements:

- Stripe account set up
 - Bursar added to Shop permissions
 - Instalment failure notification email configured
-
-

Welcome Notification (Parent Launch Message)

To be scheduled on launch day.

Template:

“Your School Name” is delighted to announce the launch of our new App. The App is the schools' official platform for current parents/students and provides a “**Single Point Of Engagement**” on all school related matters. The App is intuitively designed, easy to use and packed with features which will centralise your engagement with the school and digitise many of the current paper based processes. The main features include:

Communications

All communications for parents will be published through the App. This includes general school News, important Notifications, individual Personal Notifications, Notice Boards, Photo Galleries, school calendar and Notes from Parents.

Attendance Notes

Going forward all Attendance Notes (Absence, Late and Permission To Leave) must be sent through your App before 08:30 am. This will allow school staff time to process your form(s). Forms submitted after 08:30 may not be processed until the following day.

Forms

All forms and documents which require your approval and signature can be submitted through the App.

Access VS Ware/Tyro

Parents can access their students VSware/Tyro account in "one tap" through the side menu on the App.

Payments

The App payments solution will send an Alerted Notification to parents when a payment is due. Simply “Tap” the notification and the payment will open, add to cart and checkout - simple!

Booklist, Uniform, Sports Suppliers

Centralised access to updated booklists and our online Uniform and sportswear can be found.

Resources

The information and resources sections of the app puts frequently referenced information at your fingertips.

Guardian(s) Mobile numbers

The school must have current mobile numbers for both parents/guardians to enable you to download the App.

Video Overview

Please take 2 minutes to view this quick video tour of the App. [Video here.](#)

Attendance Explainer Video

Please take a few minutes to view this quick video of how to Submit Attendance Notes. [Video here.](#)

Support

The App developer, Unique Schools, will provide technical support directly to parents. Please email support@uniqueschools.ie with any App related queries providing your name, mobile number, our school name and the nature of your query.

Download

The App is available for both Android and Apple and can be downloaded from links below. Simply download and register with your mobile number.

[Apple Link](#)

[Android Link](#)

Add Parent Explainer Document

Includes:

- App overview
- Attendance note instructions (before 08:30am)
- Forms
- VSware/Tyro one-tap access
- Payments
- Resources
- Download links (Apple / Android)

- Support email
 - Video links
 - Parent Explainer Document
-

1st Install Meeting

Objective

Final readiness check before go-live.

Key Checks:

- ✓ App Installation
 - Main App downloaded
 - Administrator App downloaded
 - Desktop Dashboard access confirmed
 - ✓ Roles & Responsibilities confirmed
 - PRO (communications) confirmed
 - AFM contact confirmed
 - Please Check & PTL Approvers confirmed
 - Year Head responsibilities clarified
 - ✓ Sign-In/Out Procedure Agreed
 - ✓ Training Gaps Identified
 - ✓ Launch Dates Finalised:
 - Onboarding Launch
 - AFM Go-Live
-

Launch Phase

Launch Includes:

- Welcome Notification sent
- Attendance Guide reminders scheduled

- Parent Explainer shared
 - AFM process live
 - Monitoring registration rates
 - AFM team aligned on agreed ARF time
-

Ongoing Monitoring (Post Launch – First 3 Weeks)

- Track parent registrations
 - Monitor ARF volume
 - Ensure PTL approvals handled
 - Check Please Checks processed
 - Confirm DSI being used correctly
 - Confirm attendance write-back functioning
-

Summary Flow

- Order Confirmed
 - Warm-Up Booked
 - FM Requirements Completed
 - Technical Setup
 - Training Sessions
 - 1st Install
 - Launch Notification
 - Go Live
 - Monitor & Support
-
