

Exporting student/parent data from Compass

1. Click on the **Organisation** menu icon
2. Choose **People Management** from the drop down menu

3. In the People Management screen click on **Advanced Filter**

4. Click into the drop down field **Show All Roles** and select **Students**
5. Click into the drop down field **Show All Statuses** and select **Active**
6. Click **Apply Filter** button

People Management

The screenshot shows the 'People Management' interface with the 'Advanced Filter' tab selected. The 'Active' and 'Student' dropdown menus are highlighted with red boxes. The 'Apply Filter' button is also highlighted with a red box. The interface includes tabs for 'People', 'Debtors', 'Doctors', 'Internal Transitions', and 'Custom Groups'. The 'Advanced Filter' section contains various search and filter options, including 'Search by name or code...', 'Show All Houses', 'Show All Year Levels', 'Show All Form Groups', 'Show All Authentication Modes', 'Search by Phone or Mobile Number', 'Show All Custom Flags', 'Search by address, street or suburb', and 'Search by Organisation'. A checkbox for 'People With Pending Changes Only' is also present. The text 'Users who have a status of **Active** and are **Students**.' is displayed. At the bottom, there are 'Reset' and 'Apply Filter' buttons.

7. Click on the **Export & Stats** button on the menu bar

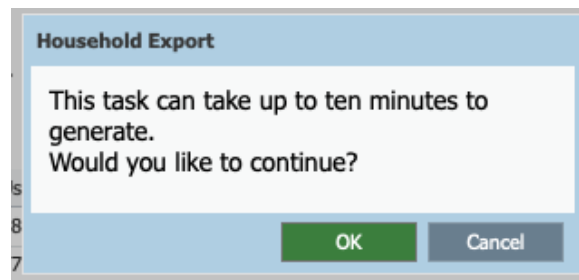

People Management

The screenshot shows the 'People Management' interface with the 'Export & Stats' button highlighted by a red box. The interface includes tabs for 'People', 'Debtors', 'Doctors', 'Internal Transitions', and 'Custom Groups'. The 'Export & Stats' button is located in the menu bar.

8. Click on the report titled **Household Export**

The screenshot shows the 'Export & Stats' dropdown menu. The 'Household Export' option is highlighted with a red box. The menu includes options such as 'Users', 'Alumni', 'CRT List', 'Email/Mobile Status Export', 'Learning Needs Export', 'Identifications Export', 'Enrolments PDF', 'Class Enrolment Export by Student', 'Household Export', and 'Household Export by Student'.

9. In the dialog box that appears click **OK** to begin generating the report, this should only take a few seconds.

10. Once the file has been generated click the **Close** button in the dialog box
