

How To: Add a Shop Item

Open your App CMS panel & click 'Manage School Shop (V5)' and 'Add'

1 Name * Name of your item; eg school fees **2 Account Code *** Whatever nominal account you use for this type of item

3 Description * The description of your payment; eg school fees €150 to cover trips etc

4 Item Type (Optional)
☐ Variable Amount ☐ Variable Quantity ☒ None
 Select the kind of payment/item which is being set up:
Variable Amount: parent can enter amount they wish to pay; eg voluntary contributions
Variable Quantity: cost is set but quantity can be specified by parent; eg play tickets are €10 but parent can order 3 giving total of €30
None: this is a standard fee; eg item costs €5 and parent can only pay that amount

5 Limit Orders To Limit payments to a specified number: eg evening study is limited to 30 places, after 30 payments are received no other users will be able to pay and item will be removed from view for parents
6 Cost (in EUR) * Total cost of item: **Please Note** – if passing transaction fees onto parents these need to be added at this point. Transaction fees are 1.35% plus 31c; eg for an item costing €10 the fee is 44c

7 Payment Type *
☐ Partial Payment ☒ Full Payment
Full Payment: parent must pay in full in one transaction.
Partial Payment: payment by specified instalments: eg payment of €150 over three instalments takes €50 on the first day, €50 30 days later and onward automatically until payment is complete
8 Last Payment Date (Optional) Date item will be removed from App and parent can no longer pay
