The reports allow the school bursar/accounts personnel to stay on top of amounts which are outstanding, quickly and easily.

This report will generate an Excel file which shows the Euro € amount outstanding on the specified shop items at the date/time the report was generated.

To export the Balance O/S report please follow the steps below:

Go to your **Dashboard** and tap on **School Shop** then in the dropdown select **Manage School items**

Tap on **Balance O/S** (top right of screen)

Apply Filter (e.g. Published items for the Financial year 2023/2024) you would like to include

Find the **Shop item Summary** document in your **downloads folder**

The Shop Item Summary file will include three tabs

- **Summary** - Balance outstanding per individual shop item included on your report
- **Item** - List of the amount due from individual students/parents sorted by Shop item
- **Summary by Guardian/Student** - Summary of the amount due from individual students/parents sorted by primary contact number. This is the amount due per family.
