

Sending Notifications

Sending Notifications to Teams, Fixtures & Training Groups

Written by Sam Support | Last published at: February 16, 2026

Team Manager allows you to send **Personal (Group) Notifications** directly to parents, students, and staff involved in a specific team, fixture, or training session.

This keeps all communication in one place and ensures everyone receives updates about matches, training changes, cancellations, reminders, and more.

Step-by-Step: Sending Notifications

1. Log In

Go to **uniqueschoolapp.ie** and log in if you're not already signed in.

If you are already logged in, skip to Step 2.

2. Open Team Manager

From the main dashboard:

2.1 Click **Team Manager**

Within Team Manager, you can send Personal Notifications from the following sections:

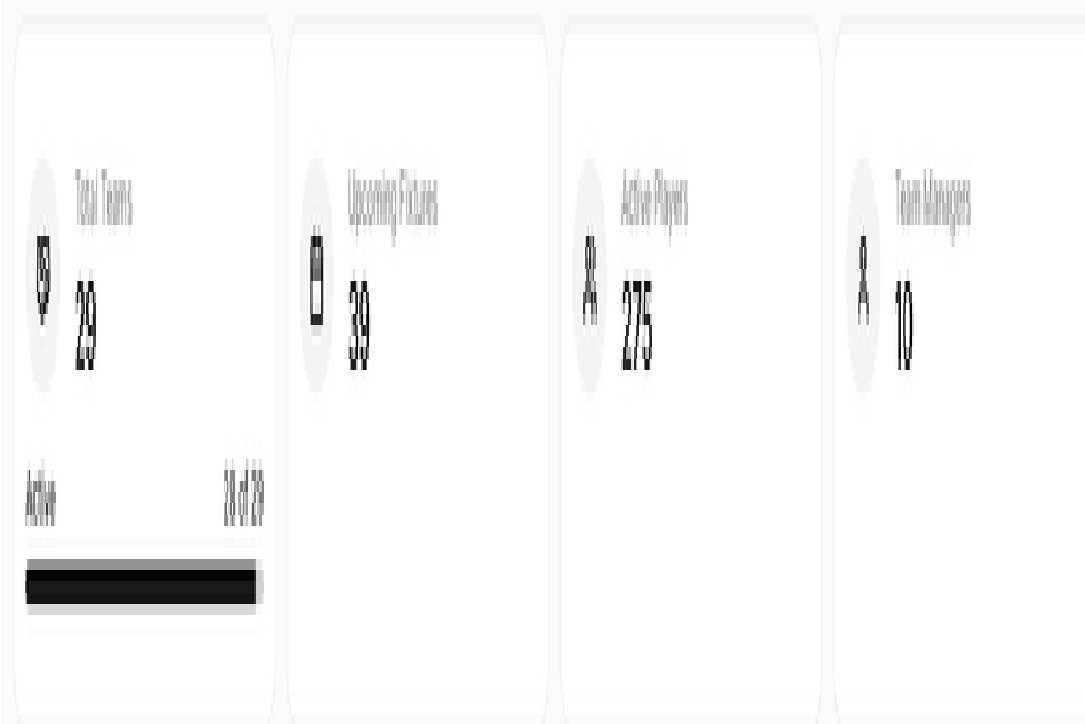

- **Teams**
- **Fixtures**
- **Trainings**

👤

1. Use the checkbox beside each Team or Fixture
2. Select multiple entries (or click **Select All**)
3. Click **Send PN**

This is useful for sending the same update across multiple teams or fixtures.

Creating the Notification Message

When sending your PN:

- You can write a **custom message**, or
- Use a **template**

Templates can be created and managed via:

Left-side menu → PN Templates

Manage Notification Templates

Search students...

ON

Manage Notification Templates

Search Template...

+ Add Template

Select Template

	Title	Description	Actions
	Match Cancelled	The upcoming match has been cancelled	 

Click image to enlarge

Before sending, you will see a **preview** of the message exactly as it will appear to recipients. This allows you to review and make changes before confirming.

Who Receives the Notification?

You can choose to send the notification to:

- **Parents**
- **Students**
- **Staff** involved in that Team or Fixture

If Sending from a Fixture

The PN will be sent to:

- Starters
- Substitutes
- Supporters (if added)

If Sending from a Team

The PN will be sent to:

- All players in the team
- All assigned coaches
- Relevant parents and students

This ensures communication is always targeted and relevant.

Best Practice Tips

Use templates for recurring messages (e.g. match reminders)

- Always preview your message before sending
- Use bulk selection when sending updates across multiple fixtures

- Keep messages clear and concise
-
