Payments received outside the school app (e.g. Cash/ Cheque) should also be marked as paid in the system, this will give you an accurate audit trail.

The system allows you to mark payments as:

- Cash
- Cheque
- EFT - Electronic Funds Transfer
- SEPA DD - Single Euro Payment Area Direct Debit
- Discount - Discount to user
- Write off - Does not expect to receive the amount or remaining amount

When marking a payment as paid in the Dashboard you have the option to mark individual users or in bulk. By marking in bulk you do not have the option to send a receipt to the user. It is not possible to mark multiple payments as paid for one student.

To send a receipt please see our
